

Detailed road directions to reach villa del Pino from A1 freeway

(The Milan-Naples motorway)

Coming from the North, take the motorway to Naples A1 and exit at the Naples tollbooth, without taking the branch to Salerno before that tollbooth. After the Napoli tollbooth, continue to go straight avoiding the towns and take the A3 Napoli-Pompei-Salerno. Coming from the south, take the same above-mentioned A3- Napoli-Pompei-Salerno in the opposite direction. In the both cases you have to exit at Castellammare di Stabia tollbooth, just after Pompei, and continue to go straight on the elevated highway leading to the coast, avoiding passing through Castellammare and Vico Equense towns.

Arrived at Meta di Sorrento continue to go ahead and, before entering Piano di Sorrento, take the **Meta-Amalfi** road on the left. Climb up to a crossroads of three roads, one is the one from which you come, the second is a downhill road towards Positano-Amalfi and, the other one, on your right, is the road rising to "S. Agata dei due Golfi." At this crossroads, you are arrived: on the left there is the hotel Royal Hills and then a trattoria (Luisona), in front of there is a Positano style dresses shop, while on the right there is a gate with the entrance to Parco Belvedere in **via Nastro Azzurro n. 9** (where is villa del Pino) and still on the right there is the road to S. Agata. Coming into "Parco Belvedere", you arrive at your destination, you have to go straight ahead and after only just a few hundred meters, at the end of the road, you will find "Villa del Pino".

Your arrival must be reported to the Commercial Manager **Stefano Schiavo**, please.
